This Eclipse was delivered from factory to its first owner in 08/2007. It was sold to its current two owners in 11/2014 and with that, exported to Europe, where it is based since then. It is being flown from two pilots and the Eclipse has never been used for any kind of charter operation whilst being in Europe. It has always been maintained from an Eclipse Service Centre or Eclipse Authorized Service Facility. All logbooks are available SNEW. This Eclipse is hangared all year in a heated and air conditioned hangar.

Exterior

Exterior factory paint from 2008 Matterhorn White with black and grey stripes repainted in 2014

Interior

Work table, cup holders, coat hooks, aluminium seatbelts, reading lights, upper/lower LED cabin wash lighting, baggage compartment light, four air gaspers, dual zone air conditioning/heating and 110-volt AC outlet

Inspection Status

- Eclipse EA 500 enrolled on ESP Gold incl. LLP.
- All Mandatory Service Bulletins completed
